ESTD 2024

WELCOME to

MAGNOLIA DANCE STUDIO

We are proud to be the newest dance studio in Jefferson City, serving dancers, artists, and athletes of all ages. At Magnolia Dance Studio, students are given every opportunity to grow and achieve their goals. With a strong focus on technique and artistry, our students develop passion for movement and performing arts while building long lasting life skills to carry over into all of their endeavors. Our faculty members dedicate themselves to every student by offering personal feedback, celebrating achievements, and continuing to learn and grow as teachers. We hope to inspire all to have passion and be life long learners. Everyone will bloom at Magnolia!

WHAT CLASS IS RIGHT FOR ME?

Choosing the right class is an important decision. Ensuring that each student succeeds is a priority for us and we are here to help place students in the class that will meet their needs best. You can find more info about our classes including age ranges, prerequisite, and gear required on our website! Final class placements are always left up to the Magnolia Dance Studio Faculty

Adult Ballet- Perfect for beginners or experienced dancers! A great way to learn and appreciate the art of ballet. Improve balance, mobility, focus and a workout while having fun!

Adult Tap- Geared toward beginner levels, our adult tap class is so much fun! Tap is one of the best styles of dance to instill musicality, rhythm, and coordination.

Ballet- Ballet is a foundation for most other forms of dance, teaching posture, flexibility, strength, musicality, grace and discipline among many other things. Magnolia Dance Studio offers ballet classes for all ages and abilities including those interested in progressing to pointe work.

Ballet/Tap (Ages 6-7) - A combo class with beginner ballet and tap training. For beginner dancers or dancers who have leveled up from Little Magnolias.

Dancers' Stretch - For experienced dancers to improve on their flexibility. Using dynamic and static stretching techniques, focused breathing, contracting and relaxing into stretches.

JAM- To put JAM into words feels like describing the peak of a party! This high intensity, choreographed dance workout class is designed to challenge your brain while making that cardiovascular strength work for it, too! No dance experience required. Your spirit will soar, it's satisfying, it's fun, it's dynamic: It's JAM! **Pump up the JAM**- Like JAM but kicked up a notch with hand weights!

Tap- One of the best styles of dance to instill musicality, rhythm, and coordination. With such a deep rooted history in the world of dance, tap technique is a highly sought after skill in the industry. Dancers will learn techniques, music theory, build strength, and enjoy a huge variety music to dance to.

Little Magnolias (Ages 3-5) - Perfect class for first time dancers! Learn dance basics like rhythm and coordination as well as how to listen and follow directions all with the help of their Magnolia Teddy Bear. This stuffed artistic helper will be a teaching tool and source of comfort for young dancers headed into class for the first time.

Students receive the beginnings of ballet technique, while building confidence and the love for moving their bodies!

Lyrical- Based in ballet and jazz, lyrical dance uses the music and its lyrics to inspire movement with opportunity for self-expression. Offering lyrical class in levels for dancers having completed at least one year of ballet 1.

Pre-Pointe- Teachers will invite students who are ready for this advancement twice a year. Students work towards their first pair of shoes, learning about pointe work, safety, how to sew ribbons, etc. Students leave this class after 2 years ready to work in their pointe shoes during their regular weekly ballet classes

Hip Hop- A style of street dancing with a variety of techniques involving gliding, popping, locking, and breaking. This popular style of dance allows students to get loose and express themselves through movement with mainstream music.

Jazz- Combines the techniques of Ballet and Modern dance, focusing more on style, isolations, energy, and rhythm. Jazz techniques are an important part of all dancer's foundation.
